PROVIDER ATTESTATION AND PARENT PERMISSIONS FOR INDEPENDENT MEDICATION CARRY AND USE

Directions for the Health Care Provider: This form may be used as an addendum to a medication order which does not contain the required diagnosis and attestation for a student to independently carry and use their medication as required by NYS law. A **provider order** and **parent/guardian permission** are needed in order for a student to carry and use medications that require rapid administration to prevent negative health outcomes. These medications should be identified by checking the appropriate boxes below.

This student is diagnosed with: Allergy and requires Epinephrine Auto-injector Asthma or respiratory condition and requires Inhaled Respiratory Rescue Medication Diabetes and requires Insulin/Glucagon/Diabetes Supplies which requires rapid administration of (State Diagnosis) Date: Parent/Guardian Permission for Independent Use and Carry I agree that my child can use their medication effectively and may carry and use this medication independently at any school/school sponsored activity. Staff intervention and support is needed only during an emergency.	Student Name:	DOB:
medication(s) listed below safely and effectively, and may carry and use this medication (with a delivery device if needed) independently at any school/school sponsored activity.
